

Multivitamin Spray

(20ml Spray Bottle)

ProTec
Nutra

Benefits(1)

(EFSA-approved claims in italics)

Our Multivitamin Spray is for all ages and all stages of life.

The spray is designed to be taken directly into the back of the mouth at the throat and swallowed easily without the need for water.

Our Multivitamin Spray Offers a reassuring mouthfeel with no metallic or vitamin aftertaste in a convenient and easy to re-use dosage format.

Vitamin C, B and D are essential nutrients with several roles in the body.

Vitamin B and Vitamin C contribute to normal energy-yielding metabolism and the normal functioning of the nervous system.

Vitamin B contributes to the normal function of the immune system and normal psychological function.

Vitamin B and Vitamin C contribute to the reduction of tiredness and fatigue.

Vitamin B and Vitamin C contribute to normal red blood cell formation, and Vitamin C contributes to normal collagen formation for blood vessels' normal function.

Vitamin C contributes to the maintenance of normal bones, and zinc contributes to normal cognitive function.

Vitamin C both contribute to the immune system's normal function and the protection of cells from oxidative stress.

Vitamin D contributes to the normal absorption/utilisation of calcium and phosphorus and normal blood calcium levels.

Vitamin C and Vitamin D contribute to the maintenance of normal teeth.

Vitamin D and Vitamin K contribute to the maintenance of normal bones.

Vitamin D contributes to the maintenance of normal muscle function.

Vitamin D contributes to the normal function of the immune system.

Vitamin D has a role in the process of cell division.

Vitamin K contributes to normal blood clotting.

Vitamin E contributes to the protection of cells from oxidative stress.

Directions for use / Dosage
