

## Vegetarian Glucosamine & Phytodroitin

(For Joint and Cartilage support)

**ProTec**  
Nutra

### Benefits(1)

*(EFSA-approved claims in italics)*

A synergistic combination of ingredients for joint and cartilage health in a convenient tablet format.

Glucosamine occurs naturally in the body where it plays a role in the smooth working of the joints and the maintenance of connective tissues.

Glucosamine and chondroitin (Phytodroitin) work together to support the renewal and repair of cartilage.

Chondroitin (Phytodroitin) can prevent breakdown and also stimulate the repair of cartilage.

*Vitamin C contributes to normal collagen formation for the normal function of cartilage and bones.*

*Copper contributes to the maintenance of normal connective tissue.*

*Manganese contributes to the normal formation of connective tissue and the maintenance of normal bones.*

### Directions for use / Dosage

Take 2 tablets per day.

### Packaging Examples

Packs of 30, 60, 90 or 120 tablets

Plastic jar with plastic tamper-evident cap in retail carton or glass jar with aluminium tamper-evident cap in retail carton.

Also can be available in blister packs.
